

Allies Suggest Plan To Make Life Bearable Inside Germany

BERLIN (AP)—Austria formally rejected today Russia's proposal to give the little nation "full independence" while reserving the right to keep occupation troops there indefinitely.

Austria's Foreign Minister Leopold Figl told the Big Four foreign ministers' conference acceptance of the Soviet proposals would deprive his country of the most essential aim of an independence treaty—the withdrawal of foreign occupation troops.

BERLIN (AP)—The Western ministers may propose to Russia immediate steps to make life more bearable inside divided Germany by lowering barriers between the Eastern and Western zones, it was learned today.

Such an easing of border restrictions is considered one positive gain which might be salvaged out of the wreckage of Big Four efforts here to unify Germany and make a German peace.

American officials said Soviet Foreign Minister Molotov probably would be asked to agree to a meeting at once of the high commissioners of Russia, the United States, Britain and France for the purpose of removing or lessening barriers between the Communist East and free West.

Points that may be taken up include:

1. Reopening of the interzonal crossing points that have been closed for years. This would facilitate especially the highly developed transport of freight by truck.

2. Elimination of the "death zone," a quarter-mile-wide strip of plowed land on the Soviet side of the East-West zonal frontier. Any German caught in that area without permission is liable to immediate gunfire from the Soviet-trained Communist police.

3. Restoration of telephone service and street car lines between divided East and West Berlin.

One American informant said there does not seem to be much West German pressure for trade with East Germany, that the West Germans are much more interested in enlarging their American markets.

U.S. officials think that the division of Germany—confirmed by the failure of the Berlin conference to do anything more than

May Cut Milk Prices Two Cents

WASHINGTON (AP)—A reduction of possibly two cents a quart in fluid milk prices may follow in the wake of the government's decision to lower the level at which it supports prices of butter, cheese and dried milk.

A number of dairy state congressmen, meanwhile, denounced the decision. Sen. Humphrey (D-Minn.) said he would appeal to Congress to reverse an order by Secretary of Agriculture Benson, announced yesterday, which Benson estimated would reduce retail butter prices by about eight cents a pound. Others applauded Benson's move.

Prices paid for manufacturing milk—that is, milk used for making manufactured dairy products—are closely related, to prices distributors pay for milk sold in bottles and other containers for home use.

AGRICULTURE'S CHIEF PROBLEM IS FOOD SURPLUS SAYS SEC. HORST

"America is faced with a situation unique in history—it's the problem of what to do with a surplus of food," Miles A. Horst, state Secretary of Agriculture for the last 12 years, told a joint Rotary-Lions meeting Monday evening at St. James Lutheran Church.

"Throughout history mankind has considered it a great blessing when harvests are good, for usually man has not had an overabundance of things to eat. Even today most of the world has the opposite problem, not enough food."

"I think we would rather have the problem of too much than too little. And it is entirely likely that our problem of overabundance will disappear in a few years. In ten years our population will have increased by 20,000,000. They will eat all we have today, including the surpluses, and need more. But you need not worry. We will not go hungry in ten years. The farmers are producing what its too much today, but they can and will produce more to take care of the additional people."

Another Angle

"There is another angle to this surplus of ours. I recall back in the early 1930s we had a surplus. We were plowing under every third row of corn and every third pig. And then a drought started in the south west. It spread throughout the United States and our surplus disappeared."

"This past summer's drought started again in the southwest. I don't want to be a pessimist—but it could follow the pattern of 20 years ago and we could have another drought that would wipe out our surplus problems within a year."

"Farming is a unique industry. Automobile manufacturers, if there is an overproduction, can slow down production for a little while until demand requires more autos. But a cow keeps on giving milk whether

WELFARE UNIT IS PLANNED FOR C-D IN COUNTY

Initial steps were taken today to set up a county-wide 250 person organization under Civil Defense to be prepared to house, feed and record refugees from such cities as Washington, Baltimore and Harrisburg in the event of enemy attack or other emergency.

County Civil Defense Director William G. Weaver and Attorney John MacPhail, head of the welfare services of Civil Defense for the county, today sent letters to various communities of the county, in some instances asking individuals to serve as heads of welfare centers in their communities, in other cases civil defense officials in various communities are being asked to recommend someone for the welfare post.

MacPhail said the organization is being set up at the request of state Civil Defense headquarters which plans to send some refugees here from nearby cities in event of attack.

Plan Orderly Handling

The welfare center head in each community will set up a committee to make a survey of their towns and surrounding countryside to secure information on rooms available for possible refugees, cooking facilities, food available and similar information.

Those facts will be forwarded to the county welfare center here and the county-wide survey then forwarded.

Sudden Death For Union Twp. Man

Francis H. Leese, 74, Hanover R. 1, Union Twp., died very suddenly at his home Monday at 1:30 p.m. Dr. C. G. Crist, Adams County coroner, was called and attributed death to a coronary occlusion. Mr. Leese was a son of the late George and Louisa Unger Leese. He was a member of Christ Evangelical and Reformed Church, near Littlestown, and the Church School.

Surviving are his wife, Mrs. Bertha E. Stremmel Leese; one brother, Calvin Leese, York; one stepbrother, Roger Leese, Pleasant Valley, Md.; two sisters, Mrs. Cora Fuhrman and Mrs. Lottie Diehl, both of Hanover.

Funeral services Thursday afternoon at 2 o'clock from the Little Funeral Home, Littlestown. Mr. Leese's pastor, the Rev. G. Howard Koons, officiating. Interment in Christ Church Cemetery. Friends may call at the funeral home on Wednesday evening from 7 to 9 o'clock.

WEATHER FORECAST

Showers and possibly scattered thunderstorms this afternoon and early tonight, following by colder, low tonight 35-40, Wednesday partly cloudy and colder.

Car Smashed But 3 Local Men Escape

Three Gettysburg men escaped with brush burns but the car they were riding in was demolished early Sunday morning in an accident between Shickshinny and Berwick while they were enroute to Pittston to visit relations.

Allen McDonnell, Gettysburg R. 4, was at the wheel of his 1947 sedan when he dozed and the car ran off the road, mounted a bank and rolled over onto the highway.

The driver and his two companions, Joseph Sanders, Steinwehr Ave., and Chester Small, E. Middle St., came through the accident with minor cuts and bruises.

BIBLE SOCIETY GIVES \$350 TO STATE BRANCH

The Gettysburg Bible Society will send \$350 to the Pennsylvania branch of the American Bible Society, an increase of \$75 over last year, it was decided at the annual meeting of the executive committee at the home of Mrs. M. R. Remmel, East Middle St., Monday afternoon at 3 o'clock.

The appropriation is the largest in the 107-year-old history of the society which was founded here in November, 1846.

Mrs. Earl J. Bowman, treasurer, reported receipts of \$403.74 during the year. This included the balance from last year, \$52.18 from the two weeks of prayer services, plate offerings and appropriations and individual gifts from members of the Church of the Brethren, Christ Lutheran Church, St. James Lutheran Church, Methodist, Presbyterian and Trinity Evangelical Reformed Churches.

Elect New Secretary

Four large prints of the New Testament and Psalms were purchased during the year for the Adams County Home. They cost \$6.60. The year's balance was reported at \$47.14.

The committee voted to furnish Spanish Scriptures for Puerto Rican migrant workers next fall, if desired. This was done several years ago.

Mrs. Louise Hoffman was elected secretary to fill the vacancy caused by the resignation of Mrs. J. Kerr Lott who had held the office for a number of years.

Mrs. H. E. Berkey conducted the devotions and the minutes of last year's meeting were read by Mrs. Louise Hoffman.

Those present were: Mrs. Berkey, president; Mrs. Hoffman; Mrs. Remmel, vice president; Mrs. Bowman, treasurer; Miss Elizabeth Bushman and Miss Irene Wolf.

EVANGELISTIC SERVICE OPENS

Raymond and Anna Edwards, of the Old Federal Hymns radio program, Frederick, conducted the opening service Sunday evening at Centenary Evangelical United Brethren Church, Biglerville. Music was provided by members of the radio staff, and several hymns were sung by David Edwards, son of Mr. and Mrs. Edwards. The Bob Jones University, was shown following the musical program. Approximately 325 persons attended the service.

The Evangelistic Crusade will continue each evening at 7:30 o'clock until February 28. The remainder of the services will be directed by Evangelist Bill Rice, Murfreesboro, Tenn. The musical program will be under the direction of Ellis Zehr, bass soloist from Rockville, Ind. Other musical features will be presented by the "Rice Krispies Trio" and Mrs. Rice. The public is invited.

COUNTY MUSIC FETE AT DELONE

Delone Catholic High School in McSherrystown will play host to the annual Adams County Music Festival on Wednesday. The affair was held at Delone last year also.

After all-day rehearsals, the 120-piece band made up of selected instrumentalists from school bands throughout the county and the massed chorus of 200 voices, also including singers from all of the county high schools, will present a concert at 8 p.m. in the Delone auditorium.

The band will be under the baton of Dr. Peter Buys, New York arranger and composer, and its part of the program will include such favorites as "Blue Tango," "Sabre and Spurs," "Atlantis Suite," "Semper Fidelis" and "The March of the Toys." A touch of jazz will be provided by the "Bobby Sox Suite."

The Junior Chorus composed of students from the 7th to 9th grades will be directed by Miss Kathryn O'Boyle and the Senior chorus of 120 voices will have Charles Yost and Paul Grove as their directors. The choruses and band will combine for the grand finale "This Is My Country."

Slaybaughs Observe Their 50th Wedding Anniversary

MR. AND MRS. SLAYBAUGH (Photo by Lane Studio)

Mr. and Mrs. Albert W. Slaybaugh, Aspers R. 1, today observed their 50th wedding anniversary. The couple was married February 16, 1904, at the home of the bride's parents in Bendersville, by the Rev. Diehl.

Mrs. Slaybaugh is the former Bertha Rice, daughter of the late Isaiah and Anna (Weaver) Rice, who resided in Bendersville. Mr. Slaybaugh is a son of the late William H. and Rebecca Slaybaugh, who resided in Guernsey.

Both Mr. and Mrs. Slaybaugh are lifelong residents of the county. Mr. Slaybaugh is a retired farmer and auctioneer.

An observance of the wedding anniversary was held Sunday at the home of their son-in-law and daughter, Mr. and Mrs. Glenn Kennedy, Centre Mills.

Gifts And Messages

For the observance the house was decorated in yellow and white with decorations including yellow cut flowers, daffodils, roses, gladioli, daisies and carnations. Mrs. Slaybaugh was a corsage of Joanne Hill yellow roses and Mr. Slaybaugh wore a Joanne Hill boutonniere.

Gifts of gold, congratulatory cards and messages were presented to the couple by their seven children and 16 grandchildren and their families.

Among those present were Mr. and Mrs. John Wirt, Gettysburg R. 4; Mr. and Mrs. Clair Starry, New Oxford R. 2; Mr. and Mrs. Glenn Kennedy, Aspers R. 1; Mr. and Mrs. Raymond Slaybaugh, Aspers R. 1; Mr. and Mrs. Clair Slaybaugh, Idaville; Mr. and Mrs. Lester Guise, Camp Hill, and Mr. and Mrs. F. R. Slaybaugh, Towson, Md., among the children group. Also present were the 16 grandchildren and the husbands and wives of the grandchildren, along with six great-grandchildren. Also a guest was Miss Kay Snyder.

The centerpiece of the table was a three-tier wedding cake decorated with a miniature bride and bridegroom. A buffet luncheon was served.

EXONERATE BANGE IN HIT-RUN CRASH

Further inspection of the automobile of Harold Bange, Hanover R. 3, arrested Monday morning by Hanover police on a charge of driving while under the influence, reveals that the vehicle was not in any recent accident, Hanover police reported to Gettysburg officials Monday evening.

At first officers thought the Bange vehicle may have been the one which crashed into a parked car owned by Paul Walter, 144 Chambersburg St., on that street Sunday evening.

SCHOOL EXAM MAY 7

The annual state scholarship examination for high school seniors in the county will be held May 7, starting at 8:45 a.m. at Gettysburg High School, assistant County Superintendent of Schools Charles I. Raffensperger announced today.

The scholarship provides \$400 to ward tuition in any Pennsylvania college or university. The exam is open to any senior in any Adams County high school.

FACES MORALS CHARGE

Donald Cullison, Carlisle R. D., has been committed to the county jail on a morals charge filed by state police before Justice of the Peace Robert P. Snyder involving a minor girl.

PAYS FINE OF \$10

Curtis L. Cline, R. 2, charged by borough police with passing a vehicle on the right side, paid a \$10 fine and costs before Justice of the Peace Robert P. Snyder. The violation occurred Monday evening.

Police Smash Red Violence Creators In Italy's Strike

ROME (AP)—Heavily armed riot police quickly smashed the first outbreak of violence today in connection with a Communist-called one-day general strike in Rome.

A commissioner of police was injured by a flying stone. At least 60 demonstrators, including women, were taken into custody.

Flying squads of police in their red riot jeeps dashed into the crowd of several hundred demonstrators as they marched through one of downtown Rome's main streets, snarling midday traffic. The Red-led walkout had twin aims—to shock wages and to harass the shaky new government of Premier Mario Scelba.

The strike was staggered in timing and appeared only partly effective.

TRAVEL GROUP WILL JOIN J. C. IN TV CONTEST

The Gettysburg Travel Council, at a meeting Monday night in the Court House, voted to assist the Junior Chamber of Commerce in its project to compile information to enter Gettysburg as a "candidate" in a nationally-sponsored "Honor City of the Week" television series.

Forty-two members, one of the largest turnouts in the tourist organization's history, assembled to discuss folders, the tour of western Virginia, bumper strips and metropolitan newspaper advertising.

President Leroy Smith named Joseph Rosensteel as chairman of a committee to meet this afternoon with a Jaycee committee headed by John Riddle, general committee chairman, in the office of the National Cemetery superintendent. Other members are: Mrs. Amos Beinhardt, Dr. J. Walter Coleman, battlefield superintendent, and John D. Lippy Jr.

One Bus On Tour

Present plans call for each State Junior Chamber of Commerce to select three outstanding cities and submit their names to the TV producers by April 1. One city will be selected from each state for the 48-week, coast-to-coast series.

Reflecting the desire of the Virginia Travel Council to entertain only persons actively engaged in the tourist trade, President Smith said that only one bus of 39 persons will be sent on the Virginia tour. The fee will be \$10 per person.

Mrs. Helen Snyder, Chamber of Commerce secretary, announced that 43 persons have returned letters stating intentions to make the tour March 8 to 10. She urged the undecided to contact the Chamber (Continued on Page 4)

ITALIAN ART DESCRIBED BY NATIVE OF GENOA

Miss Maria Perissutti, native of Genoa, Italy, who is observing public school techniques in America for six months, described Italian art at a meeting of the Arts and Crafts Guild of Adams County Monday evening at the YWCA.

"Italians," she said, "would rather own one masterpiece than many inferior reproductions. Women will spend months embroidering a blouse or weaving some line. In the world of art, they like what is best, from peasant to patrician." She described how Italian pottery is made and outlined the simple life of the peasants.

In conjunction with Miss Perissutti's talk, three members of the organization displayed original work of their own. Mr. Harold Price, Hanover, displayed several pieces of glass or which she had painted floral and other designs. Miss Elvira Peck, Gettysburg artist, showed the group several of her oil paintings. She read a theme on the history of painting "embracing a period 30 thousand years ago" until the present century.

Exhibit Crochet Samples

Vi Deardoff, Cashtown, presented samples of her crocheting in Irish Clurey, cluster, pineapple and lover's knot patterns. She also had a woolen afghan on display.

Ernest Krape, president, presided. Routine reports were submitted and the new by-laws, drawn up by John Wadham, were read by Mrs. Robert Kleppinger and Mrs. Fern Ritchey. Miss Jean Thomas, program chairman, outlined plans for future meetings.

Miss Alma Cluck won a lace center-piece in a pineapple design donated by Vi Deardoff as a door prize. A Valentine social was held following the business session.

Heart-shaped cakes were served along with other refreshments. The following were hostesses: Miss Cluck, Vi Deardoff, Mrs. Hilda Diehl and Mrs. Gladys Rebert. More than 30 members were present.

An executive meeting was held at 7:30 o'clock.

The group will meet again March 15 at the Y.

10 Countians Attend Dinner In Carlisle

A number of Adams County Republicans Monday evening attended a Cumberland County Lincoln Day dinner at Carlisle, thus returning the courtesy extended by Cumberland County officials who were present for the Adams County Lincoln Day dinner last Friday.

Among countians present were: GOP Chairman John H. Bashore, J. Arthur Boyd, Littlestown; George Baker, Abbottstown; County Treasurer Jacob Apple; Mrs. Ruth Orner, Bendersville; Mrs. Alma Parnell, Mrs. Preston Zerby, York Springs; Mrs. Clara Hardman, Former Assemblyman H. Earl Pitzer and Chauncey Smith.

Nearly 900 attended the Cumberland County meeting.

John Deere Day Show at Bendersville Community Fire Hall, Wednesday, February 17 at 7 p.m. Free admission. Public invited.

MERCURY UP TO 74 ON MONDAY

Only last Saturday morning the temperature here was down to 9 above zero and Monday was the second warmest February day in Gettysburg in more than a half century as the weatherman continued his winter-long pattern of quick changes from one extreme to another.

Monday's high reading of 74 degrees made it the warmest February day here in 24 years and the second warmest February day in local weather records. The record high for the month was a reading of 78 degrees which sent into the weather annals on February 25, 1930.

February of 1930—a year notable for its weather extremes—had four February days with maximum readings in the 70's. Those high readings followed closely after a day on which the mercury had dropped to one above zero.

The warmest previous February 15 on record here was in 1949 when the high was 73 degrees. The only other near approach to that level was a 65 degrees on that date in 1909.

PREDICT HEART DRIVE WILL HIT GOAL OF \$2,600

Adams County's heart campaign is making good progress and there is every reason to believe that the \$2,600 goal will be reached before the end of the month, county campaign leaders believe.

President C. A. Wills, reporting at the halfway point in the campaign, said: "The voluntary contributions that are coming to my office indicate the goal will be reached within the prescribed time and that the record of our county association for always having met its quota will remain unblemished."

The county association president said it was "gratifying" to the organization that interest in heart work is countywide and attracts the active participation of so many people.

40 Pct. For Research

"Forty per cent of the funds raised in the annual drive go to the American Heart association to finance all important research work in cardiac disease and treatment. The advances have been so magnificent, through this research that thousands upon thousands of people owe their lives to what medical science has accomplished through this process."

"Our county association has supplied beds for cardiac cases throughout the county. We have taken care of some needy cases. We have financed the participation of nurses in heart clinics and have procured various equipment for heart cases in the hospital and at home."

"This is an important work and as I said before we have no doubt but that our quota will be reached by the close of the campaign on February 28."

OLIVER GARBER EXPIRES AT 88

John Oliver Garber, 88, New Oxford R. 2, a retired farmer, died Monday afternoon at 3:30 o'clock at the home of his son and daughter-in-law, Mr. and Mrs. Roy C. Garber, New Oxford R. 1, where he had lived since January, 1953, following a stroke which he suffered on December 9, 1952.

Mr. Garber was born in York County and was a son of the late Henry and Mary Ann (Nickey) Garber. Mr. Garber came to this county at the age of 14 years and spent the remainder of his life farming in the Hampton section.

His wife, Martha Jane (Chronister) Garber, died in April, 1937. Mr. Garber was a member of Emmanuel Reformed Church at Hampton.

Services On Thursday

Surviving are two daughters, Mrs. Una Wolfe, Hampton, and Mrs. J. Frank Feiser, New Oxford; three sons, Charles E., Dillsburg R. 1; Roy C., at whose home he died, and William G., Dillsburg R. 1; 18 grandchildren and 24 great-grandchildren; two sisters, Miss Ida Garber and Mrs. Annie Anthony, both of Dillsburg R. 2.

Funeral services Thursday afternoon at 2 o'clock at Emmanuel Reformed Church, Hampton, with a former pastor, the Rev. Richard Shaffer, Hellam, officiating. Interment in the Hampton Union Cemetery.

Friends may call at the Fred F. Feiser Funeral Home in New Oxford Wednesday after 7 p.m. and the body will lie in state at the church from Thursday at 1 p.m. until the hour of the services.

Adams Draft Board Gets Call For 4 Men

The Adams County Draft Board has received a call for the induction of four men on Wednesday, March 3.

The call is a sharp reduction from the February call. Sixteen men were inducted from this county on February 8, the largest group to be taken from the county in some time.

GOOD EVENING

Nobody is satisfied with his walk in life if he has to shovel it himself.

QUICK ACTION BY NEIGHBORS SAVES GARAGE

Quick action on the part of neighbors prevented greater damage than the \$200 estimated loss when the garage of Carl E. Prosser, 639 S. Washington St., caught fire at 6:30 o'clock Monday evening.

Firemen said Charles Leslie Fair Jr., 645 S. Washington St., removed two bicycles and a garden tractor, the principal items in the garage at the time, before flames reached them, and then joined Mr. Prosser in fighting the blaze with water from garden hoses until firemen arrived.

The fire was discovered by Mrs. Fair, who walked to her back porch and saw the flames through a window in the Prosser garage. She called to her husband, who leaped the fence between the two properties, notified Mr. Prosser of the fire, and started removing the articles, while Mrs. Fair called the Gettysburg Fire Department.

Suspect Wiring

While Prosser and Fair were using garden hose, another local resident arrived with a fire extinguisher from a nearby service station.

Firemen said today they could place no cause for the blaze, although wiring was suspected. The flames apparently started several feet up on a wall and a drop cord may have caused the blaze, firemen said.

The blaze attracted a great number of spectators and fire police and local police worked to keep back the curious and keep traffic moving.

SENATOR TALKS TO DEMOCRATIC WOMEN'S CLUB

State Senator George M. Leader, York County, Monday night told the Democratic Women's Club of Adams County: "Some Republicans whom the President has chastised have gone beyond all reason in referring to the Democrats as being guilty of treason."

Addressing the women at their monthly meeting in the Odd Fellows Hall, Leader attributed "Republican inactivity" to a failure to enact a constructive congressional program and the fact that "many Republicans are not sympathetic to the program President Eisenhower has proposed to Congress."

The York Countian said this "leaves GOP orators in a sort of vacuum. They grasp the issue of communism to have something to talk about."

To Hear Sheely

He said, "This is just a duplication, on a national scale, of what the Republicans in Pennsylvania have been doing for a good many years. They have attempted to cover up their own lack of accomplishments by shouting about the Communist menace in state-wide campaigns."

Commenting on the nation-wide Republican observance of Lincoln Day, Senator Leader said, "It is a little ironic that the Republican leaders should have used the Lincoln Day Dinner to expound a narrow, mean philosophy of government completely alien to the generous, benevolent, and constructive philosophy of Lincoln."

Regina Miller, R. 5, and Beatrice Ballard, R. 3, co-chairmen of the March Program Committee, announced that Judge W. C. Sheely is expected to address the club at the March meeting.

Miss Blanche Oyler, Nurse, Dies Monday

Miss Blanche A. Oyler, Woburn, Mass., a native of Adams County, died Monday at 8:23 p.m. at the Seidle Memorial Hospital, Mechanicsburg, where she was admitted on January 1.

She was a daughter of the late George and Jane E. (Taylor) Oyler. Miss Oyler graduated from the Harrisburg Hospital School of Nursing in 1918 and practiced nursing for 25 years. She was a member of the Nurses Alumnae Association of the hospital and was also a member of Trinity Lutheran Church, Ardenstville.

Surviving are five sisters, Mrs. Ida K. Hoffman, Pittsburgh; Mrs. Anna B. Hoffman, Bedford; Mrs. Estella Boerum, Woburn, with whom she had made her home; Mrs. Fred L. Barnes, Pittsburgh, and two brothers, George C. and William L. Oyler, both of Ardenstville.

Funeral services Thursday at 2 p.m. at the Bender Funeral Home conducted by her nephew, the Rev. Dr. George H. Berkeimer, Harrisburg. Interment in Fairview Cemetery, Ardenstville. Friends may call at the funeral home Wednesday evening after 7 o'clock. The Frederick Bucher Funeral Home, Hanover, is in charge of arrangements.

TELLS OF ABE'S VISIT TO TOWN

A detailed description of Lincoln's visit to Gettysburg to deliver his world famous Gettysburg address was vividly related Monday night by Mrs. Stanley Zimmerman, of Steelton, granddaughter of the late Judge David Wills of Gettysburg who entertained Lincoln.

The speaker, addressing the Dauphin County Historical Society in the John Harris mansion, told how her grandfather viewed the battlefield in July of 1863, felt the need for a suitable burial ground for the soldiers who died there, and began a movement to provide such a cemetery.

After corresponding with Gov. Curtin, Judge Wills was authorized to purchase a plot of land at the site of some of fiercest fighting, and preparations for a formal dedication were begun.

Reading her grandfather's letter to the president requesting his presence at the function, she said that a Lincoln authority maintained that possibly Lincoln derived the line of thought for his address from that letter.

Mrs. Zimmerman devoted part of her address to descriptions of the table settings and room furnishings in the Wills home during Lincoln's visit here.

Lincoln, she said, went up to his room at 9 p.m. and shortly afterward called for her grandfather. About 11 p.m., she related, they went next door where Secretary of State Seward was staying. She said Lincoln was carrying "a little sheet of paper." She said this was the same sheet Lincoln read from the following day when he made his noted address.

The speaker described also the coach in which Lincoln rode when coming to Gettysburg, and told how "well mounted he was" when he rode horseback to the cemetery.

SEE TEST TODAY ON AMENDMENT

WASHINGTON (AP) — A divided and quarrelling Senate may come to grips today with the controversial provisions of the constitutional amendment proposed by Sen. Bricker (R-Ohio) to limit treaty powers.

With no clear indications of any decisive majority sentiment, Sen. Knowland of California, the GOP leader, pressed toward a vote on a proposal which would require that treaties be made in "pursuance" of the Constitution.

This White House-favored clause, however, had to wait in line until the Senate disposed first of a proposal to require roll-call Senate votes on ratification of treaties. This is acceptable to almost everyone except a score of senators who oppose any constitutional change.

Knowland tried to get the Senate to approve this latter proposal yesterday after it had voted 62-20 to require that executive agreements, as well as treaties, must conform to the Constitution.

But such a parliamentary snarl developed that Sen. Humphrey (D-Minn.) rose to inquire at one point: "How messed up and confoundedly confused can you get?"

GOES BERSERK AND SHOTS 5

ALBANY, N. Y. (AP) — A jobless woman apparently went berserk today and shot five women relatives, then turned the gun on herself, state police said. Two sisters were shot to death.

Miss Marion Gilbert, 30, and her sister, Virginia Gilbert, 26, were found dead on the living room floor of their home in suburban Clinton Heights.

Another sister, Eleanor, 33, was taken to Albany Memorial Hospital and was reported in critical condition with a bullet wound in the forehead. State Police Inspector Joseph Sayers said that the weapon, a .22 caliber rifle, had been found near Eleanor and that the other wounded women said she had wielded the gun.

However, Sayers said the survivors all were rather confused when police first questioned them.

Also in the hospital but not considered in serious condition, were: Mrs. Eleanor Gilbert, 56, mother of the three girls, and her two sisters, Mrs. Katherine Bauman, 59, and Miss Florence Hagerty, 53.

Rocky Prisoner Flees Pipeline Job

BELLEFONTE, Pa. (AP) — State and local police today sought C. L. Moss, 32-year-old inmate of Rockview Penitentiary here, who escaped from the prison.

Moss, who was serving a 7-20 year term for armed robbery in Westmoreland County, was working on a pipeline outside the prison compound when he disappeared, prison officials reported.

Roadblocks were set up by state police to apprehend Moss. The convict is a native of Thomasville, S.C.

\$20,000 ESTATE

The will of John D. Lippy, late of Gettysburg, has been entered for probate at the office of the county register and recorder. Mr. Lippy's wife, Sallie Z. Lippy, 47 Chambersburg St., is named executrix of the \$20,000 estate.

WELFARE UNIT

(Continued from Page 1)

warded to Harrisburg for inclusion in the state's records.

According to the plan the movement of refugees in event of wartime attack on major cities would be carried out in an orderly fashion. The state would have Adams County's records available and would assign refugees from certain sections to Gettysburg, where some would be assigned to the welfare centers in the county communities for lodging and food.

Plan Reception Group

Besides the committee to survey rooms and foods available, a committee will be set up to serve as a reception and inquiry center. The committee would be trained to fill out accurate records on each refugee entering the center and the home or building to which he or she is assigned. This record again would travel to the county and state centers. The registration would be needed to permit relatives to quickly discover where other members of the family are located after mass exodus from the cities, Attorney MacPhail said.

On the county level, a group headed by Mrs. Verna Myers has already been trained in the registration work, Attorney MacPhail said, and that group will instruct the registration units in each community as they are set up.

MacPhail said that welfare and registration committees are being set up only in those communities which have schools because the schools can be used for the handling of refugees. When the organization is effected and storage space can be provided, the state will provide such things as first aid kits and dried foods for storage for use as needed.

"OLD CRONIES"

When old cronies assemble . . . they share their inner schemes . . . and tell about adventures of . . . a kind we find in dreams . . . they reminisce and then relive . . . their golden yesterdays . . . and everyone is entertained . . . by what each tale portrays . . . mellowed by the hands time . . . old cronies then debate . . . the whys and wherefores of the world . . . each time they congregate . . . and somehow when I see them there . . . I always lend an ear . . . because to me their homespun talk . . . is tender and sincere . . . philosophers of merit . . . and diplomatic too . . . the old folks give this heart of mine . . . a pleasant tranquil view . . . then in my fancy I can see . . . myself taking the place . . . of some old crony who has felt . . . his Maker's fond embrace.

meeting.

Have \$540 Million In Unemployment Fund

HARRISBURG (AP)—A reserve of \$540 million dollars in Pennsylvania's unemployment compensation fund should take care of all needs in the next five years, the state secretary of labor and industry believes.

David M. Walker said yesterday that based on the last five years benefit payments are averaging about 100 millions a year. Payment of the one billion dollar in jobless benefits was made yesterday as the State Bureau of Employment Security marked the 16th anniversary of the first payment.

Interchange Sites Depend On Surveys

HARRISBURG (AP)—A final traffic engineering report, expected momentarily, is being awaited before announcement of the location of eight or nine interchanges on the proposed northeastern extension of the Pennsylvania Turnpike.

The Turnpike Commission disclosed last week that the specific locations were expected to be detailed soon but a meeting of the commissioners yesterday delayed final action. An announcement can be expected within a few days, a spokesman said.

Meeting with the full commission yesterday was E. L. Schmidt, ex-officio member, the state highways secretary.

The extension will reach from near Norristown on the present superhighway to the Scranton-Wilkes-Barre area. The goal for groundbreaking was originally scheduled for late this month or early March but the delay over interchange locations is holding up commission plans.

BRIDE DYING OF LEUKEMIA

SCRANTON, Pa. (AP)—A state trooper's bride of 10 days, whose doctor says she is dying of leukemia, went ahead making plans for the future today—unaware she has the deadly cancer of the blood.

Paul Chylak Jr. learned first that his high school sweetheart Marie Rebar had the dread disease two weeks before the marriage when doctors told him the results of a state-required blood test.

The wedding was held as scheduled on Feb. 6 and the couple left by automobile for a honeymoon in New York. After less than an hour's drive the bride collapsed.

They returned to Marie's home in nearby Olyphant. A week later she was admitted to the hospital.

Dr. Joseph P. Krasinda said the young bride will not leave the hospital alive. A few weeks, maybe a few months, is all he expects her to live.

JIMMY CLAIMS FILES RIFLED BY HIS WIFE

By GRAHAM BERRY

PASADENA, Calif. (AP)—James Roosevelt, who says documents were missing from his files after his estranged wife broke into his office last August, resumes the stand today at a hearing on her petition for support.

The hearing is to determine whether the eldest son of the late President Franklin Roosevelt is able to pay \$2,500 a month demanded by his wife Romelle. She seeks the sum for herself and their three children pending trial of their separate maintenance suits.

Far Apart On Figures

Mrs. Roosevelt contends her husband is worth two million dollars and he claims he is \$78,000 in debt.

One of her attorneys, Arthur E. Schifferman, yesterday introduced a torn-up document referring to a \$2,500 trust payable on demand to Irene Owens.

Schifferman told reporters this was the Gladys Irene Owens whom Mrs. Roosevelt named with two other women as co-respondents. Mrs. Roosevelt, 38, accuses her husband of infidelities with 12 women. The attorney said Mrs. Owens formerly was employed by one of Roosevelt's insurance firms.

\$5,000 Diamond Up

Schifferman also questioned Roosevelt, who was on the stand in Superior Court the entire day, about a 2.83-carat, \$5,000 diamond ring purchased last November. Roosevelt, 46, claimed he bought it for his wife, but one of her lawyers said it was not her size and she never received it.

The torn-up piece of paper, pasted together under transparent sheets, was in longhand and signed by Atty. John K. Sloan of Los Angeles. The document said the lawyer was holding in trust \$2,500 payable to Irene Owens.

Roosevelt testified he put the money in trust "to try and safeguard some of my possessions which I believe were being tampered with."

He opposed the change which revised the first section of the Bricker proposal to make it apply to international agreements.

AGRICULTURE'S

(Continued from Page 1)
there is a surplus or not. A farmer works with nature, and must follow nature's slow rhythm.

Appetites Change

"He must follow the demand of the public. Our appetite has changed over the years. Despite our increased population and wealth we are eating no more bread today than we ate 40 years ago. We are eating other foods instead. We are eating our grains today in the form of meat. We are eating more vegetables, more fruit. We are eating a better balanced, more health-giving diet. We have changed from the diet of starches, bread and potatoes, that was our principal food a quarter of a century ago.

"This change in our diet as a nation makes any re-adjustment in farming more dangerous than before. If farming suffers a depression the farmers will sell off their milk cows for beef. A field of grain can be replaced next year, but a milk cow cannot be replaced in less than 3½ years.

Too Much Rather Than Too Little

"There are those who suggest doing away with all support prices for farming. But labor has its wages supported. Industry is supported by tariffs and other subsidies. I am no economist, but I am afraid chaos would follow if agriculture were cut loose to shift for itself for a number of years.

"And I ask you to be sympathetic with those who are struggling with the problem of food, and its surplus. We need food—that is basic. And I think we would rather have the problem of too much, rather than too little."

John D. Teeter, president of Rotary, presided at the joint session. Frederic E. Griest, of the Rural-Urban committee of the Rotary club, introduced the speaker. A number of farmers were guests. A turkey dinner was served.

AMISH GOING TO COURT FOR AN INJUNCTION

LANCASTER, Pa. (AP)—Members of the Amish religious faith have gone to court in an attempt to halt their repeated arrests on charges of failing to send their teen-aged children to school.

Attorneys representing the Amish, a sect centered in the Pennsylvania Dutch country, asked the Lancaster County Court yesterday for an injunction to prevent further prosecutions on charges of violating the compulsory school attendance law until a test case is appealed through the courts.

Suspend Prosecutions
The court agreed to return a ruling within 20 days and added significantly:

"In the meantime, further prosecutions are not advisable."

"The devoutly religious Amish believe that, after reaching the age of 14, children should remain at home to fulfill farm and household duties rather than attending public school.

As a result, many Amishmen over the years have been arrested, fined and in some cases jailed for violating the state compulsory school attendance law, which requires children to remain in school until the age of 16, except in hardship cases.

WASHINGTON (AP)—The National Guard Bureau has announced that more than 50,000 members of the Air National Guard are expected to participate in summer field training schedules.

Maj. Gen. Edgar C. Erickson, in announcing the schedules, said substantial numbers of jet aircraft will take part in the training for the first time since the outbreak of Korean hostilities.

Wedding Bells: Topper—Walter—
William J. Topper, of Emmitsburg,
and Miss Anna M. Walter, daugh-
ter of Conrad Walter, of Fairfield,
were united in marriage in the
Roman Catholic church of Fairfield
at 9 o'clock Tuesday morning by
Rev. J. P. McDermott, of Waynes-
boro, who said nuptial mass. A large
number of friends of the bride and
groom witnessed the impressive
ceremony.Both are well known and popu-
lar young people. They will reside
near Emmitsburg where Mr. Topper
owns a large farm.**In the Social Circle:** Miss Amy
Stock gave a very pleasant Valen-
tine party to a number of her friends
at her home on North Washington
St., last Thursday evening, which
was very much enjoyed by all present.
At a late hour all returned
home well pleased with their even-
ing's entertainment.Fifty-one friends and relatives of
Mr. and Mrs. T. J. Wunnebrunner,
agreedly surprised them by invading
their home on Baltimore street
Monday evening. It proved to be an
occasion of much merriment and en-
joyment. Refreshments were served.**Large Barn Destroyed By Fire:**
Fifteen Head of Cattle and Twelve
Hogs Perish in the Flames: The
double-brick barn on the farm
owned by C. S. Griest and tenanted
by his son, Arthur Griest, near
Sunny Side, together with a large
shed, 15 head of cattle, 12 hogs,
40 chickens, a lot of hay, grain,
farming implements, gears, etc., were
destroyed Thursday evening.Mr. and Mrs. Griest were not at
home at the time the fire started,
they having left previously to at-
tend the silver anniversary of Mr.
and Mrs. P. K. Heiges, of Bigler-
ville.The fire was evidently of incendiary
origin, and was started at the
southwest corner of the large
shed which is invisible from the
house, this causing the flames to
gain great headway before being
discovered.The barn was insured in the
Adams County Mutual Company for
\$1,500, and for the farming utensils
and produce in the Liberty and
Independent Company for \$800. Un-
fortunately the stock was not in-
sured.Arthur Griest's loss will be about
\$500, while that of his father, not-
withstanding the insurance, will be
somewhat greater.**Will Occupy New Quarters:** George
J. Weaver has leased his store room
on Baltimore street to Weyandt &
Homan, butchers, who will remove
to the same on April 1st. In order
to vacate the room, Mr. Weaver is
closing out his business and is sell-
ing all goods at cost.**Local Miscellany:** Lent begins to-
day (Wednesday, Feb. 17). The
Presbyterians will hold a Birthday
social in the Lecture Room of the
church Friday evening, Feb. 19.It is said on good authority that
the Chambersburg and Gettysburg
trolley road will be built to Gettys-
burg the coming summer.The thermometer registered zero
yesterday morning—and the cold
weather continues.**Wedding Bells:** Hemler — Mc-
Sherry: Joseph Hemler, of Hanover,
formerly of Mountpleasant town-
ship, and Miss Alveta McSherry,
of York, daughter of Wm. McSherry,
formerly of White Hall, were quietly
married at St. Patrick's church, by
the Rev. Father Hooman, Wednes-
day evening. The happy couple will
make their home in Hanover.**Mehring—Fromwalt:** Robert L.
Mehring, son of Mr. and Mrs. S. D.
Mehring, of Littlestown, and Miss
Janetta S. Fromwalt, daughter of
Mr. and Mrs. George Fromwalt, of
Silver Run, were married Sunday
evening at the Reformed church par-
sonage, in Silver Run, by Rev. J.
Stewart Hartman.**Dwelling and Contents Burned:**
Monday, shortly after noon, the
house owned by John Miller and
tenanted by his son, Howard Miller,
in Mountjoy township, together with
furniture was burned. The family
was away from home at the time,
and it is supposed the fire caught
from an overheated stove. Only one

THE KNITTERS

Watching a woman knitting al-
ways gives to me a sure clue as to
that woman's character—at least
to one beautiful side of it. Nine
out of ten times you can wager
that she is doing it for someone
else. It may be some member of
the family, or friend. Many a one
has been knitting for some boy in
the service. A sweater, a pair of
gloves, some warm socks, or a muf-
fler.Many of these knitters do beau-
tiful work that they plan to use
to beautify the home table, or
perhaps for a spread to make the
sleeping room attractive. It's most
always for others, however, that
all that time and pains are spent.I have often watched these knit-
ters with the needles and have
been amazed at their skill and
speed. They do it so easily and
without mistakes that I often won-
der what they are thinking about
as they work away, hour after
hour. Probably they are thinking
of the time when the job is fin-
ished and visualize themselves
packing it up neatly and wrapping
it for mailing to some distant
place, and then awaiting the thrill
of appreciation that is sure to
follow. That is the great joy of
life—appreciation.Fingers are wonderful things! How
they respond to the slightest
thought or suggestion. Fingers are
everything to the violinist, the
piano player, or the performer on
many another instrument. They
are everything to the artist, the
typist, the weaver of rare rugs,
but millions of knitters would be
bored of many an ambition with-
out their fingers.I always look with interest upon
a woman knitting, and deep in
my heart I say a God-bless-you to
her. There is such a selfless-
ness to most knitters. Many, many
of them are mothers.Tomorrow Mr. Adams will talk
on the subject: "Oneness With
All."Protected, 1954, George Matthew

DECAPITATED

HARRISBURG (AP)—Two men

were killed on central Pennsylvania
highways over the weekend.

Charles E. Kline, 67, of York,

was struck on Sunday while walking
along U. S. 39 near Wrightsville,
York County. State police said he
was decapitated and that the car
that hit him did not stop.The borough of South Williams-
port, near Williamsport, had its
second traffic fatality in 13 years
early on Sunday. Joseph T. Arrow-
smith, 46, of South Williamsport,
driving alone, was killed when his
car ran into a utility pole.Police said he failed to make a
turn at a South Williamsport street
intersection. It was the first traffic
death in the borough since Jan. 3,
1952.bedstead, a cupboard and a few
pieces of meat were saved. The
house was insured in the Munnas-
burg Company.

Memorial to Vincent O'Bold: New

Catholic Church to be Built at Mid-
way: The new Catholic Church at
Midway, along the Hanover and
McSherrytown turnpike, near Han-
over borough limits, will be erected
the coming summer. It will be a
memorial to the late Vincent
O'Bold, and will be built by his sis-
ter, Mrs. Gabriella Smith, of Han-
over. The cost will be \$35,000.The new church will be a modern
structure in every respect, and
will be most handsome in design and
substantial in erection. The mat-
terial will be red pressed brick and
the trimmings of Hummelstown
brownstone. The style of architec-
ture will be in Gothic. In size the
building will be 50 x 125 feet, and
have a seating capacity of 600.The decorations of the interior
will be elaborate and beautiful. The
finest of stained and art glass will
form the windows.

"FROM HERE TO

ETERNITY" LEADS

AS OSCAR CHOICE

HOLLYWOOD (AP)—"From Here
to Eternity" has swept through
with 13 nominations in the Oscar
derby and appears to be the pic-
ture to beat.The nominees, which were an-
nounced last night, showed a
strong favoring for the hard-bitten
Army drama. It drew an amazing
five nominations for its stars and
at least three of them were strong-
ly favored to win.Current Hollywood betting favors
tough Burt Lancaster for the top
Oscar because of his sergeant's
role in "Eternity." Deborah Kerr,
who abandoned queenly roles to
play an Army wife of loose morals,
could also be a winner, although
Audrey Hepburn of "Roman Holi-
day" appears the favorite so far.

Sinatra Likely

Crooner Frank Sinatra and Don-
na Reed appear to be heavy
choices for the supporting Oscars.
Although both had star billing in
"Eternity," they were classified
as supporting players.

The major nominations were:

Bubblers Repeat As County Cage League Champs; Loop Playoffs On College Floor

"Bud" Ecker's Bolling Springs High School basketball team clinched the championship of the Adams County League for the second straight year Monday evening by drubbing Biglerville 71-36 on the Bubblers' floor.

In winning their 32nd straight league game over a three-year span, the Bubblers rolled up a commanding 34-10 lead at half time after which the outcome was never in doubt.

The defeat put Biglerville two games off the pace with but one game remaining. Both Biglerville setbacks in league play were at the hands of the strong Bubbler quintet.

Terry Hutton, the league's leading scorer, bagged 23 points for Dick Allison's Cannons. He was held to but eight points in the first three periods but added 15 in the final quarter when Biglerville landed 18 tallies. Going into the final quarter Bolling Springs led 65-18.

Three Bubbler stars broke into double figures. Barry and Ed Dasher and Don Kurz were the big guns for the winners.

As a result of winning the league title Bolling Springs has now qualified to represent the league in District 3, Class B playoffs.

Change Playoffs
Ecker, president of the league, has announced that a change in dates and site for the annual circuit playoffs between the four top teams have been made. The playoffs will be staged on the Gettysburg College floor Monday, February 22, and Thursday, February 25. Originally the playoffs had been set for Biglerville.

Team 2 will meet Team 3 in the opening game next Monday at 6:45 with the league champions meeting Team 4 in the nightcap. Winners of Monday's games will meet for the playoff title Thursday evening with the losers opening the program with a consolation game.

Ecker also announced today the Littleton-Newville game, postponed from January 12, may not be staged, depending on the outcome of games tonight and Friday. Littleton is in a tight battle with East Berlin for a playoff position. If the remaining contests result as figured, it will be unnecessary for the Bolts and Newville to stage their game.

Biglerville's reserves completed their loop season unbeaten by winning Monday's preliminary 43-37.

\$10,000 Fire Early Today At Hanover

Members of three families were forced to evacuate their apartments when fire burned out a television store at 730 York St., Hanover, at 12:30 o'clock this morning. Damage was estimated at \$10,000.

Flames were confined to the store, operated by John Mathias, and families returned to their apartments after the smoke cleared away. Most of the damage was in destruction of television sets and appliances. The building is owned by Norman L. Becker.

The fire was brought under control by Goodwill Fire Company, Grangeville. Firemen blamed defective wiring for the blaze.

Families residing in apartments are Mrs. Velma Miller, Mr. and Mrs. Donald Tascos and Mr. and Mrs. Richard Worley.

Michigan State will have co-captains in football for the first time since 1942. Halfback LeRoy Bolden and end Don Knauth will lead the 1954 squad.

TRY TODAY FOR AGREEMENT ON PENSION FUND

By ED CORRIGAN

NEW YORK (AP)—The long wrangle over the major league pension plan continued today when five men walked into a conference room in hopes of settling some of the differences that have caused animosity between the players and the club owners.

Allie Reynolds, ace pitcher of the New York Yankees, and Ralph Kiner, home run hitter of the Chicago Cubs, American and National League player representatives, respectively, along with J. Norman Lewis, their lawyer, huddled with Cleveland General Manager Hank Greenberg and Pittsburgh owner John Galbreath, the owners' committee.

The main point which all parties concerned would be settled was just what percentage of the World Series television and radio money will go into the pension fund. The players also asked a firmer place in the baseball councils and a voice in the management of the pension plan.

Differ On Method
"The players say that if World Series TV and radio income are higher after the present contract expires, they would like to study the possibility of greater benefits," Greenberg said before entering the conference. "We differ only in how this can be done. The players would like to have a say on such future contracts and would like a specific share of the money to go into the pension plan."

Lewis said he, Reynolds and Kiner had studied the proposals and "we see nothing outlandish in them."

"The owners have had ample time to study the proposals and we are exceedingly hopeful this meeting will be the most productive one yet. Mr. Galbreath and Mr. Greenberg are reasonable men and I'm confident we'll reach a meeting of the minds with them," he said.

KENTUCKY AND DUKES SWITCH PLACES IN POLL

By HUGH FULLERTON JR.

NEW YORK (AP)—Duke's unbeaten Dukes, profiting at the expense of Indiana and the Oklahoma Aggies, ousted the other unbeaten major college team, Kentucky, from the top place in the national basketball rankings today.

After occupying a threatening position for several weeks, the Dukes moved into the lead in the weekly Associated Press poll of sports writers and sportscasters. The margin was 84 points to 76, on the usual basis of 10 points for a first-place vote, nine for second, etc.

Duke's and Kentucky each polled 24 first-place votes out of 104 ballots, but, just like last week, the Dukes scored heavily on those ballots where they were placed third or lower.

Indiana Still Third
Nothing in the performances of these two teams accounted for the switch in sentiment, but indications were that the backers of Indiana and Oklahoma A&M, swung toward Duke's after their favorites were beaten. The Hoosiers and the Aggies both were beaten for the second time this season during the past week and their point totals fell off.

Indiana retained third place with 650 points, in spite of a loss to low-ranking Northwestern. But the Aggies, beaten by their bitter neighborhood rival Oklahoma, dropped to fifth behind Western Kentucky.

Iowa, which tied Indiana Saturday for the Big Ten conference lead, made a surprise appearance in 10th place, edging out Maryland by a single point. The votes were tabulated before last night, when Ohio State upset Iowa 77-69 while Indiana swamped Purdue 86-50.

La Salle Skids
The La Salle Explorers, whose 11-game winning streak was ended by Temple, lost their place in the top 10, skidding clear down to 12th while Seattle and George Washington, a pair of overtime losers, improved their ratings.

After the first five came Notre Dame, Seattle, George Washington, Holy Cross and Iowa in that order. George Washington registered the big gain, bouncing from 10th place to eighth.

Host To Mechanicsburg Here Tonight

Above are pictured members of the Gettysburg High School basketball squad who will entertain Mechanicsburg here this evening in a South Penn League contest. The Warriors defeated the Wildcats 62-51 at Mechanicsburg in a first half game. As a result of losing their last three games the locals now have an 8-8 season record.

Appearing on the picture are: Left to right, Bobby Rohrbaugh, Roger Zeien, Stanton Musser, Fred Baker, Jeff Langsam, Jay Schmitt, Pete Baughman, Dave Thomas, Ronnie Williams, Paul Ketterman, Richard Hise and George Penn. Kneeling are the student managers, Carl Westerdahl and Roger Crouse.

The jayvee teams will meet tonight in the preliminary at 6:45 o'clock.

NAVY HOST TO BULLET TEAMS ON WEDNESDAY

The Gettysburg College cagers have their work cut out for them Wednesday afternoon when they meet the powerful Navy quintet at 4:30 p.m. in Dahlgren Hall, Annapolis.

At the same hour Johnny Yovicsin's freshmen will clash with the Peebles on another court.

The big task for the Bullets will be halting Navy's scoring twins, Don Lange and Johnny Clune. Few teams have been able to halt the pair as the Navy 15-5 record indicates.

Coach "Hen" Bream was pleased with the performance of his squad in routing Lehigh Saturday night at Bethlehem. If the Bullets come up with a similar performance they may spring a surprise against the midshipmen.

The Bullet freshmen (6-3) will also face a difficult task as the Peebles are practically unbeatable on their home floor.

Following Wednesday's game the Bullet varsity will entertain Bucknell here Saturday evening. The freshmen will be idle Saturday.

SANTEE RUNS 2ND FASTEST INDOOR MILE

EAST LANSING, Mich. (AP)—Wes Santee, the self-confident Kansas cowboy, has corralled the second fastest competitive indoor mile in history, but he still isn't satisfied.

He hoped around the eight-lap Michigan State College dirt track in 4:04.9 last night as the feature of a triangular meet among Kansas, Illinois and Michigan State.

The cocky Kansan said afterwards he's sure he can go a faster mile on a board track. He expressed confidence that some day he will crack the four-minute barrier.

Cunningham's Better

His time will stand as the world indoor record for a dirt track. Only Glenn Cunningham's sensational 4:04.4 of 1938 on a board track—exceeds Santee's performance in indoor competition.

So now there are three separate indoor mile records:

1. Cunningham, 4:04.4 6½-lap board track.

2. Santee, 4:04.9, eight-lap dirt track.

3. Gil Dodds, 4:03.3, 11-lap board track.

Third-ranked Indiana was concentrating on first place in the Big Ten race instead of records, but wound up getting both. Upset by Northwestern Saturday night, the Hoosiers ran up a 25-7 lead after one quarter against Purdue and went on for an 86-50 victory. It was the 12th in a row over Purdue, the longest win streak by either side in the bitter 34-year series between the two Hoosier schools.

Iowa Upset

Indiana got first place when Iowa, which had been tied for first, was upset by Ohio State 77-69. Indiana is now 9-1 and Iowa 8-2. Ohio State had won only three of ten in the conference.

Western Kentucky, No. 4 team, won its 24th of the season by downing Kentucky Wesleyan 81-65, and that's the most the Hilltoppers have ever won in a season. Tom Marshall, who scored 32 points for the winners, is closing in on Lavoy's Western Kentucky season scoring record. He has 632 to Lavoy's 671.

MIKAN SAYS:

Big Men Must Develop Good Hook From Pivot

Minneapolis Lakers

There's a pretty solid explanation of why basketball scoring in the last decade or so has climbed to such a lofty plateau—and taken a hold on the American fan who just loves to see the ball zip through the net.

Basketball players, the good ones, are no one-shot specialists. This is a game which puts a premium on your ability to hit that hop consistently, and to excel in it you've got to have a variety of shots.

Most players have a basic shot with which they do most of their scoring. Mine is the hook shot and I suppose you could call me an authority on that.

This is bread and butter for the big men in the game. But it entails a lot more than just turning and hooking over your ear. You've got to be almost equally adept with either the right or left hand. Otherwise, all the faking in the world is going to be washed effort.

Feinting Forces Foe

You don't use the fake, especially in professional ball where everyone has a lot of experience, with the idea of feinting your opponent right into the street. The idea is to force the other man to commit himself, or make a move. If you induce him to do that, you're almost a cinch to at least get the shot away. But there's nothing automatic about scoring with the shot. Some are more destructive with it than others.

As to the mechanics of the shot, most centers go for the backboard when there's any kind of an angle at all. When they're near the end line on the end of their pivot, the backboard naturally is useless and they'll have to fire directly at the hoop.

When I first began perfecting my own hook shot, I generally aimed at a spot about a foot and a half up the backboard above the basket. By now it's instinctive and I don't consciously aim at any particular spot.

Key To Black Passes

If you've seen a couple of first class centers competing on the pivot, you'll realize the defensive man isn't exactly helpless. This is usually his strategy: First, he'll try to block the pass.

Four Pointers

I'd have this to say to youngsters interested in a high school or college basketball career:

1. Listen diligently to your coach. There never was an such thing as the perfect basketball player.

2. Drill constantly on fundamentals to the point where they become instinctive. Basketball always was a game of basics. That means passing, dribbling, defensive play, and shooting.

3. Practice shooting whenever you can. Learn to perfect as many shots as you can. The man who gives us the most trouble competitively is the man with what I call a "varied attack," a fellow who is skilled at all the basic shots in basketball.

4. If you happen to be small, offset your lack of height by stressing things such as speed, marksmanship and dribbling ability.

DURELLO LOSES TO PATTERSON

BROOKLYN (AP)—Undefeated Floyd Patterson has 10 straight victories and is the fifth-ranking light heavyweight contender of the world but Manager Custer (Cus) D'Amato is in no hurry to push his pugilistic prodigy.

"No Joey Maxim for him," said D'Amato after the 19-year-old Olympic champion punched out a unanimous eight-round decision over durable Yvon Durello of Canada at Eastern Parkway Arena last night.

It was a clearcut win for the Brooklyn Negro but he was far from impressive and as wild as a southpaw pitcher on an off-day.

Patterson, who weighed 167½ to Durello's 170½, missed as often as he connected and twice fell to the canvas after swinging at the air. Rsty after a two-month lay-off, Pat staggered the former Canadian light heavyweight champion several times but he couldn't drop him.

It was Patterson's third decision victory. He has seven knockouts to his credit.

College Raiding By Majors Up In July

HAMILTON, N. Y. (AP)—College baseball's long fight against raiding by the major leagues has another round coming up in July.

Rebuffed again last month when they tried to effect a "no raiding" agreement, the college officials say they're ready for an all out fight if the major leagues turn them down again at the major league meetings in July.

BOUQUETS AND BRICKBATS MEET REPORT HITTING SPORTS PICTURE

ATLANTIC CITY, N. J. (AP)—Many bouquets and a few brickbats today greeted an education commission report calling on U. S. public schools to cut out the carnival aspects of their athletic programs.

The 116-page report—three years in the making—was presented here on Sunday at the annual convention of the American Assn. of School Administrators (AASA).

The far-reaching report carried an eight-point indictment of the "bad practices that mar athletics in too many American schools today." Those practices include "pampering" athletes, whipping up student frenzy before games and exploiting athletic competition as "a good show to be sold to the public as vaudeville."

The Educational Policies Com-

mission, a group of leading U. S. educators who wrote the report, did not attack athletics as such. On the contrary, they made it clear "that the experience of playing athletic games should be a part of the education of all children and youth who attend school in the United States."

It should be a part of education, but not an all-out, dominating part.

The commission fired its heaviest criticism at postseason tournaments and recommended that high schools abolish them.

Turned Down By Some. Several educators and laymen were quick to turn down the recommendations.

In a discussion following the report, H. V. Porter of Chicago said there is no reason why postseason playoffs should continue since "administrators can correct whatever may be wrong in the tournaments."

Porter is executive secretary of the National Federation of State High School Athletic Assns.

WASHINGTON (AP)—Secretary of Interior McKay said on Sunday that coal makes up 84 per cent of the known, potentially recoverable mineral fuel reserves of the nation.

A survey report, he said, showed the country's potentially recoverable coal reserves total nearly 850 billion tons.

It broke down the reserves into 40 per cent bituminous, 24 per cent subbituminous, 34 per cent lignite and 2 per cent anthracite.

SAN FRANCISCO (AP)—Californians paid the biggest state tax bill of any state in 1952. The total for the fiscal year ended June 30, 1953, was \$1,300,620,792, up 3.6 per cent from the previous year.

"MOM" AND HER "SON" GETTING ALONG NICELY

ROCHESTER, N. Y. (AP)—Six-year old Larry Eastman and the mother he has known for less than two days continued the delicate process today of adjusting to a new life and "getting acquainted."

Subject of a drawn-out custody battle, Larry called Mrs. Eleanor Buckner "mommy" on Sunday for the first time in his life.

And that, according to family spokesmen, was a good indication that the little boy was making a normal adjustment.

Mrs. Buckner was given custody of Larry Saturday night at the Pittsburgh, Pa., airport while social workers and police looked on. The two flew here to stay awhile with the boy's maternal grandmother, Mrs. Edna Kolacki.

After mother and son became "acquainted," they will leave for Mrs. Buckner's home in Central Valley, Calif.

Is Not Lonely

Miss Martha Kolacki, the boy's aunt, said Sunday night the boy has shown no signs of loneliness.

"The only time he had cried so far was during the plane ride when the air was bumpy," she said. "Larry occasionally calls his mother 'mom' or 'mommy.' And he has already started calling me aunt Martha."

She said the boy would soon make his neighborhood debut and "play with some children his own age."

Larry has lived with Mr. and Mrs. Robert G. Barr of Pittsburgh since the divorce of his parents when he was only seven months old. His father, Kenneth Eastman, was a chief petty officer in the Navy.

The mother remarried two years ago and started a court fight to regain custody of Larry. Pennsylvania's highest court recently ruled in her favor.

ST. LOUIS (AP)—A scheduled meeting of tenants for discussion of possible means of getting rent controls restored had to be called off. Sponsors were unable to obtain rent-free space for the meeting.

Fishers Cast Lines, Snag Two Torpedoes

PASADENA, Calif. (AP)—Two fishermen went diving for abalone recently and came up with a couple of tin fish (torpedoes). They netted George E. Troester, and Murray Black \$100 a piece.

Black spotted his "fish" 135 feet down at San Clemente and, after notifying the Navy, dived down with a tow line and snagged it. Troester found his in a bed of kelp near Long Beach.

Capt. Robert F. Sellers, officer in charge of the Naval Ordnance Test Station in Pasadena said: "The catch not only meant a jackpot for them but for the taxpayers—torpedoes are expensive."

SIX PRIESTS ARE ELEVATED

SCRANTON, Pa. (AP)—Six priests of the Scranton Roman Catholic diocese were invested on Sunday as domestic prelates at ceremonies in St. Peter's Cathedral.

The new monsignors, advanced to that rank last December by Pope Pius XII, are:

The Rev. Frank P. McHugh, pastor of Annunciation Church, Williamsport and dean of Lycoming and Tioga counties.

The Rev. John J. Federowicz, pastor of St. Mary's Church, Nanticoke and Nanticoke area director of Catholic charities.

The Rev. George A. Bendick, pastor of St. John the Baptist Church, Luzerne, and diocesan consultant.

The Rev. John J. Maher, diocesan superintendent of schools and administrator of St. Lawrence Church Old Forge.

The Rev. Robert A. McNulty, pastor of St. Peter's Cathedral and diocesan director of charities.

The Rev. Thomas J. Cawley, editor in chief of the Catholic Light, official diocese publication, and chaplain at St. Joseph's Children's and Maternity Hospital.

SUBSTANDARD HOUSES

NEW ORLEANS (AP)—The Commission Council planned to establish minimum housing standards after a survey showed that 43 per cent of the city's 173,000 houses were substandard.

TO CUT BUTTER SUPPORT PRICE BY EIGHT CENTS

WASHINGTON (AP)—Secretary of Agriculture Benson announced Monday the government support price for butter, now about 66 cents a pound, will be reduced about 8 cents effective April 1.

He said corresponding reductions will be made at the same time in support prices for cheese and dried skim milk.

At a news conference, Benson announced dairy price supports for the marketing year beginning April 1 will be set at 75 per cent of parity. This is the minimum level permitted by law. The present support rate is 90 per cent of parity.

Have Huge Stock. Parity is a standard for measuring farm prices, declared by law to be fair to farmers in relation to prices they pay.

The 8-cent cut in support prices for butter should, in the normal course of trading, lead to a drop of about the same amount in the retail price of butter.

The government has accumulated more than 350 million dollars worth of surplus butter, cheese and dried milk under price support operations.

Some dairymen have been urging lower supports on the theory that this would bring about increased use of their products.

Sheriff Groups Posse Of Special Deputies

LIMA, Ohio (AP)—Rustlers, horse thieves and such law-breakers better watch out in the west — western Ohio, that is.

Sheriff Clay T. Cotterman of Allen County has just organized a troop of mounted special deputies to serve at special events. Nine strong, the troop will be uniformed in black cowboy hats, Sam Browne belts and holstered guns.

"They'll be a nobby outfit," said Sheriff Cotterman admiringly.

But the thing Allen County taxpayers like best is that it will cost the county nothing. The gun-totin' deputies own their own horses.

Boys Tip Trash Can, Find Valuable Check

HOLDENVILLE, Okla. (AP)—Boys, playing on a downtown street corner, upset a trash receptacle and an official-looking letter popped out containing a \$2,134 check.

District School Superintendent W. W. Graham, red faced, explained he gave the letter to his 13-year-old daughter to mail, and she apparently mistook the dark green receptacle for a dark green mail box.

SLAYER TO DIE IN GAS CHAMBER

HOLBROOK, Ariz. (AP)—Death in Arizona's gas chamber awaits the convicted torture slayer Carl J. Folk, 56.

It took a Navajo County Superior Court jury only one ballot to find Folk guilty of first degree murder in the brutal death of Mrs. Betty Faye Allen, 22, Watsburg, Pa.

On the second ballot the death penalty was decreed.

Judge Don T. Udall will formally pronounce sentence Thursday.

There seemed little likelihood he would attempt to appeal Saturday's unanimous verdict, returned after a five-day trial.

Folk, a former New Mexico carnival owner, denied the testimony of state witnesses that he followed a trailer belonging to Raymond B. Allen across New Mexico last Dec. 1, entered it at a point 14 miles east of here that night and committed a night-long orgy climaxed with Mrs. Allen's death.

The state accused him of tying the Allens and then burning, assaulting and finally strangling the young mother.

Folk admitted, "Something came over me" when he saw the parked trailer. But he claimed he wanted only the couple's pickup truck and never hurt them except by tying their hands and feet.

IKE GOING TO CALIFORNIA

WASHINGTON (AP)—President Eisenhower, just back from a Georgia quail hunt, will leave Wednesday for five days of sun, golf and work in Palm Springs, Calif.

The White House announced Monday the President plans to leave by plane Wednesday afternoon and will return to Washington next Monday.

Mrs. Eisenhower and a group of staff members will accompany him.

The President will stay at the Smoke Tree Ranch home of Paul E. Helms, baking firm executive and personal friend of the President.

James C. Hagerty, White House press secretary, said the President has been invited frequently to visit Palm Springs by Paul E. Hoffman, former European Cooperation Administration chief, who is a neighbor of Helms.

Hagerty said a working office for the President will be set up

Brief Message Is Broadcast By Pope

VATICAN CITY (AP)—The Vatican radio rebroadcast Monday a feebly spoken, four-minute message by convalescing Pope Pius XII. The pontiff's voice, weak and hesitant after his recent illness, had been recorded at his bedside over a period of two days.

Vatican officials reported again yesterday that the 77-year-old leader of the Roman Catholic Church is continuing to improve slowly.

His address marked a day of prayer for the ailing in connection with the church's commemoration of the Marian Year—the centenary of the Catholic dogma of the Virgin Mary's Immaculate Conception. The recording in Italian was first broadcast last night. Translations in various languages went out over the radio today.

near the Helms home. Eisenhower plans to hold a news conference Wednesday afternoon, just before taking off for California.

ADVERTISE IN THE TIMES

OUT-OF-SORTS 10 YEARS DUE TO GASSY STOMACH

One man recently stated that he was "out-of-sorts" for 10 years because he always felt like he had a Brick in His Stomach. This feeling was due to the undigested food he always had inside of him. He was weak, worn-out, headache and swollen with gas. Recently he started taking SYS-TONE and says the feeling like a Brick in His Stomach disappeared the second day. Meals are a pleasure now, gas and head-

aches are gone and he feels like a new man. SYS-TONE is helping such stomach "victims" right and left in Gettysburg. This new medicine is taken before meals. It works with your food. Clears out gas, makes richer blood, stronger nerves. Contains Ten Herbs with vitamins and minerals. Gas-filled, worn-out, nervous people soon feel like new. So don't go on suffering. Senate Bugged Down After Fast Start On Seaway Project Okay

THE WORLD TODAY
By JAMES MARLOW

WASHINGTON (AP)—The Senate started 1954 fast. Then it bogged down on the idea of amending the Constitution. Now it's playing by ear.

Right after returning in January it gave quick approval for this country's joining Canada in developing the St. Lawrence seaway. That was a step it hadn't been willing to take in the last 20 years. This time it was spurred on by President Eisenhower, who backed the seaway, plus notice from Canada she would act alone if Congress balked.

Then the Republican Senate leader, Sen. Knowland of California, trotted out something which Eisenhower didn't approve.

That was the proposal by Sen. Bricker (R-Ohio) to amend the Constitution so as to limit the scope of treaties negotiated by the President and ratified by the Senate, and to provide for congressional regulation of executive agreements not submitted to the Senate.

Until Eisenhower took a stand against it, saying it would hamper a President in foreign af-

fairs, it seemed the Senate might approve.

A Lawyer's Field Day
Bricker had a lot of support until then. Then his supporters began to melt away. That didn't stop days of debate though.

That was to be expected: Bricker's amendment involved Supreme Court decisions, treaties, agreements, and acts of Congress going far back in history. It was a lawyer's field day.

Soon it became clear the Bricker amendment had no chance as it stood. Still, there was and apparently still is quite a bit of Senate sentiment for some kind of constitutional restriction on treaties and agreements.

Another New Proposal
Those who urge it argue like this: states and individuals need to be protected against action by some future president infringing on their laws or liberties.

Just as it seemed the whole idea of an amendment might go out the window, Sen. George (D - Ga) came up with one of his own.

Yesterday some constitutional lawyers—like John W. Davis—were quoted as saying they didn't know what the language in George's

STATE SENDS 28 TO WHITE HOUSE SAFETY MEET

HARRISBURG (AP)—Pennsylvania will be represented by 28 state officials and civic leaders at the three-day 1954 White House conference on highway safety opening in Washington tomorrow.

Keystone State delegates to the party were announced yesterday by Gov. John S. Fine. The conference is held every four years. Revenue Secretary Otto F. Messner, chairman of the Pennsylvania delegation, said the meeting will be geared to stimulate organized public action in every state at the community level to improve safety by the fuller use of measures already proven effective.

Messner, long a leader in highway safety promotion in Pennsylvania, said bettering the nation's safety record is not so much a "question of what to do" as applying what is already known.

A program of action was developed in similar conferences held in 1946 and 1950, he said.

Meetings Brought Results
"The effectiveness of the program has been demonstrated by the fact that those states and communities which have followed the recommendations most faithfully have sharply reduced their accident tolls," Messner said.

U. S. Commerce Secretary Weeks is general chairman of the conference. He will be assisted by Robert P. Murray Jr., Harrisburg, undersecretary of commerce for transportation.

Other Pennsylvania delegates: Col. C. M. Wilhelm, state police commissioner; Commerce Secretary Andrew J. Sordani; David E. Watson, Pennsylvania Turnpike commission; W. S. Hagar, deputy secretary of agriculture; T. Elmer Transeau, director of the Bureau of Highway Safety.

H. G. Van Riper, State Highways Dept.; William S. Canning, Keystone Automobile Club; Frank E. Ballantyne, Philadelphia Automobile Club; Richard B. Maxwell, Pennsylvania Motor Federation.

Others In Party
Walter W. Matthews, Philadelphia Chamber of Commerce; Harry H. Brainerd, Western Pennsylvania Safety Council; Frederick B. Hufnagel, Israel K. Levy, Mrs. John W. Lord Jr. Mrs. A. Barbara Weatherly, William F. Towers, John Scheuer, and Lee Greenhouse, all of Philadelphia.

Mrs. Cyril G. Fox, Media R. D. 1; Mrs. Clifford F. Hood, Pittsburgh; Hamilton D. Redfield, Smithport; William Wetzelman, Easton R. D. 1; Mrs. Claire Westerman, Johnstown.

Quinton E. Beauge, editor of Williamsport Sun and Gazette-Bulletin, George R. Walters, and James Carey, all of Williamsport; and H. A. Seward, Bethlehem.

Seek Support For Brucellosis Tests

With farmers' committees in two townships seeking signatures on petitions for brucellosis testing, three additional meetings in the campaign were announced for this week by County Agent Frank Zettie.

Meetings to explain the need of brucellosis control and to seek support will be held Wednesday evening at 7:30 o'clock for farmers of Huntingdon and Latimore Twp., at York Springs High School; Thursday evening at 7:30 o'clock for Butler Twp. dairy farmers, and Friday evening at 7:30 o'clock at the Adams Electric Cooperative building, rear of N. Stratton St., for Straban Twp. dairy farmers.

Last week Alvin Lady was named chairman of the group to secure signatures in Tyrone Twp., and Chester Loper was named head of a similar committee for Hamilton Twp.

When 90 per cent of the dairy farmers in a township petition for a brucellosis control testing area all others are also included in the plan.

amendment meant.
In spite of all the present talk there can be no change in the Constitution unless it is approved by two thirds of the Senate and House, present at voting time, and 36 of the 48 state legislatures.

The Syracuse University cross-country team has won every dual meet in the last two years.

SURIN

an Original Contribution to RELIEF OF RHEUMATIC-ARTHRITIC PAIN

"SURIN is a fast, effective treatment for pain relief—no cure."

DON'T TAKE OUR WORD FOR IT—rely on the published medical report on SURIN, which proves its effectiveness in relieving rheumatic-arthritis pain! SURIN was tested for months by doctors in a famous clinic tested on chronic rheumatic patients with these significant results:

DOCTORS FOUND: that when SURIN is applied at the point of pain, its unique ingredient, acetyl beta methyl choline penetrates quickly, deeply to step up the action of the analgesic drug in 1 out of 4 cases, speeding pain relief in minutes! Clinicians who tested it stated that with an increased period of effective relief at point of pain, patients often experience increased freedom of joint movement. This is the substance of solid facts published in a medical journal.

SURIN IS SWIFT—DIRECT! No matter how long you've suffered arthritic-rheumatic pain, do try SURIN! It works without stomach upsets which can be caused by internal dosing...you just smooth on SURIN at the point of pain...because it starts to act as fast as you apply it...bringing relief in minutes!

A NEW KIND OF CREAM OINTMENT! Don't expect SURIN to look or act like other "rub-on-rub-in" salves or liniments. It is not harsh or blistering. SURIN gives the skin a pleasant, mild, cooling sensation to overcome the local heat caused by congestion. SURIN is pure white—pleasant to use—goes on smoothly, washes off quickly and is harmless to clothing!

BLESSED RELIEF OR COSTS NOTHING! Get a jar of SURIN today. Get blessed relief in minutes—or drugist must refund money—no questions asked.

FREE SAMPLE 1 Tvy SURIN at our expense. Get free trial package today. If you don't like it, send postcard to McKesson & Robbins, Inc., P.O. Box 548, Bridgeport, Conn.
